Welcome

It is my pleasure to invite you and your organisation to the 17th Annual New Zealand Orthotic & Prosthetic Association (NZOPA) Conference. The premier event for Clinicians and Technicians providing Orthotic and Prosthetic services in New Zealand. Since 2009, the NZOPA has held an Annual Conference connecting you with our members from Northland to Southland. This year's theme is:

Collaborative Care in Action

We are excited to extend the opportunity to providers in the O&P Industry to attend, display and/or present at this year's Conference. Our previous conferences have been very successful and we envision that this year's will be even better! The NZOPA Annual Conference is aiming to continue to create a specific programme for our Prosthetists, as well as the Orthotists. We believe offering separate content programming will continue to attract more attendees, providing more opportunities for our exhibitors to connect with our members.

We are extending this invitation to your organisation to sponsor and exhibit. Our members work on the front line of the Orthotics & Prosthetics industry. This is a valuable opportunity for you to share how your information & products can improve patient and industry outcomes.

If you have any queries please don't hesitate to reach out.

COLLABORATIVE CARE IN ACTION

Novotel
Auckland Airport

4 - 6
September 2026

About The Venue

Your gateway to New Zealand, located just steps from the international terminal. The Novotel Auckland Airport offers a sophisticated, contemporary environment, providing the perfect blend of convenience and comfort for our delegates. With soundproof windows and stylish architectural design, it is the ideal place to stay focused and refreshed amidst the buzz of the airport precinct.

Situated directly outside the terminal and featuring world-class amenities—including the Thyme restaurant and a fully equipped fitness centre—the hotel serves as an effortless base for those traveling from across the country or around the globe. FREE unlimited WiFi and easy access to airport transport links make this a premier choice for a seamless conference experience.

The hotel is located directly at the Auckland International Airport, just a short walk from the arrivals hall. For those arriving at the Domestic Terminal, a complimentary inter-terminal bus or a 10-minute walk connects you directly to the venue.

We have secured premium event space at the Novotel for this year's conference. The floorplan has been developed with our exhibitors in mind. To maximize exhibitor visibility, the layout has been carefully considered to ensure high-traffic interactions between our delegates and industry partners. With multiple sponsorship packages and options, there is something to suit all budgets.

Exhibitors can access the Exhibition hall for setup from 4pm on Thursday. Supplies can be sent to the venue in the 7 days leading up to the Conference. Space has also been reserved for those who require courier pick-up on the Monday after pack-out. If you require further accessories for your booth, Evention Hire Services, Auckland is available to support.

Platinum

NZOPA
